

Alki WINES

BUBBLY WHITE

ANCIENT LAKES OF COLUMBIA VALLEY AVA

TASTING NOTES

Washington State's most premium wine region, the Columbia Valley AVA offers a diverse range of soils and more sunshine hours during the growing season than most key wine regions in the world. Washington's warm days and cool nights allows the Columbia Valley to ripen fruit while holding its natural acidity. The result of these unprecedented growing conditions creates this crisp and earthy bubbly white wine with hints of fresh apple and lemon zest; a refreshing, thirst quenching bubbly that will shine now and the next 30 years!

Time Aged in Barrel: NA

ABOUT ALKI WINES

Alki (Al-Kai), meaning "hope for the future," is Washington State's motto and the foundation of what we believe in strongly. We see the vision of the wines we produce by selecting the top one percent of the grapes from our vineyards of over 3,500 acres ranging from the Ancient Lakes to The Wahluke Slope. Our vision is to teach others and create a future understanding of our world-class wines that we and Washington State produce.
